JOINT FUNDING SCHEME FOR RESEARCH AND INNOVATION

2nd Dissemination Event

19 October 2018, 14.00 – 15.30, Cebu, The Philippines

Venue: Mövenpick Hotel (Forum 1 & 2)

GOAL OF THE MEETING The SEA-Europe Joint Funding Scheme for Research and Innovation is an instrument under which funding agencies from SEA and Europe come together to realize bi-regional research projects. In 2018 the second Joint Call for Proposals was successfully launched and the participation by funding agencies from Europe and Southeast Asia has grown. The event aims to present the achievements so far, highlight some success stories and to give an outlook for the future.

TARGET GROUP Policy level, funding agencies and researchers interested in the Southeast Asia-Europe Joint Funding Scheme for Research and Innovation
