### **GOAL OF THE INFORMATION AND BRAINSTORMING SESSION**

After the successful launch of two Joint Calls during the 1<sup>st</sup> phase of the JFS, the European Commission decided to continue the support for an enhanced JFS for a period of additional 2 years starting from mid-2019. This informal meeting will inform about what has been achieved so far under JFS I and what will be new in JFS II including the implementation of Joint Innovation Calls for Proposals. A free discussion allows to identify specific needs of participating European and Southeast-Asian countries to be addressed in the 2<sup>nd</sup> phase of the SEA-Europe JFS.

### **TARGET GROUP**

The session is open to embassies representing European and Southeast Asian countries, the EU Delegation, all Programme Steering Committee Members of the Joint Funding Scheme and prospective or interested funding institutions.
