

**COUNTRY: SPAIN**  
**Centre for the Development of Industrial Technology – E.P.E. (CDTI)**

*Spanish applicants are advised to check with the respective national Contact Point the eligibility as to who may apply and what costs are eligible before a consortium submits the complete application.*

**Eligibility**

*Eligible Spanish applicants are companies, operating and registered in Spain and holding a valid Spanish company tax code (CIF). No minimum Spanish capital percentage ownership is required. Spanish subsidiaries of companies headquartered outside of Spain may also be eligible for support.*

*As per CDTI-E.P.E.'s internal regulations, the Spanish consortia should be led by a Spanish Company. Collaboration with other entities such as research centres, technological centres, universities, hospitals and other R&D-performing organisations is permitted under CDTI-E.P.E.'s regulations, as subcontractors of the Spanish companies present in the consortia.*

**Funding modalities**

*CDTI-E.P.E. beneficiaries are individual companies or an EIG (Economic interest groupings) or a consortium made up of at least two independent companies. CDTI-E.P.E. can only provide funding to Spanish companies subject to budget availability and as per the financing conditions valid at the time of signature of the financing commitment between CDTI-E.P.E. and the awarded companies.*

*Collaboration with other entities such as research centres, technological centres, universities, hospitals and other R&D-performing organisations is permitted under CDTI-E.P.E. regulations. Although CDTI will not fund these entities directly, it may finance them indirectly as external collaborations of the Spanish Companies involved in the project.*

*CDTI-E.P.E. financing conditions shall abide by the Commission Regulation (EU) No 651/2014, of 17 June 2014, declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty on the Functioning of the European Union (“GBER”).*

*In particular, the amount of the aid, in terms of gross subsidy equivalent, shall, in all cases, adhere to the maximum intensity limits laid down in the GBER. CDTI-E.P.E.'s financing conditions valid on the date of the official launch of the Call are as follow:*

**Eligible expenditure:**

- *Personnel expenses (researchers, technicians and other ancillary personnel, provided that they are engaged exclusively in the research project).*
- *Instrument and material costs, to the extent and during the period in which they are used for the research project, including amortisations where appropriate.*
- *Contractual research costs, technical knowledge and patents bought or licensed from outside sources at market prices, and costs for consulting and equivalent services intended exclusively for the research activity.*
- *Additional general expenses resulting directly from the research project.*

- Other operating expenses, including costs for material, supplies and similar products, which result directly from the research project.

**Funding method and amount:**

Funding conditions for Spanish partners may vary depending on the nature of the project. For more information please access:
