

Boost your Research Career with Partners in Europe

Webinar – European Funding and Fellowship Opportunities for Researchers in Thailand

1.30 – 3.30 pm

19 June 2020

Are you interested in pursuing a PhD in Europe? Are you looking for research funding? Do you want to collaborate with European research partners?

This webinar is your chance to meet representatives from the French Embassy and Campus France Thailand, the German Academic Exchange Service (DAAD) in Thailand, the Spanish Embassy in New Delhi, and the Southeast Asia – Europe Joint Funding Scheme for Research and Innovation

They will cover the following topics:

- What are the PhD opportunities and how do I apply?
- What postdoctoral fellowships are available to researchers in Thailand?
- How can I access research funding and find research partners in Europe?
 - How do I prepare a successful proposal?

Thai alumni of European research funding programmes will share their experience, and offer advice on how to be successful in your application.

And there will be a presentation from the project manager of the SEA-EU Joint Funding Scheme for Research and Innovation (JFS)
